

#### Communiqué #4 From The Weatherman Underground

From /San Francisco Good Times/, September 18, 1970. /San Francisco Good Times/.

September 15, 1970. This is the fourth communication from the Weatherman Underground.

The Weatherman Underground has had the honor and pleasure of helping Dr. Timothy Leary escape from the POW camp at San Luis Obispo, California.

Dr. Leary was being held against his will and against the will of millions of kids in this country. He was a political prisoner, captured for the work he did in helping all of us begin the task of creating a new culture on the barren wasteland that has been imposed on this country by Democrats, Republicans, Capitalists and creeps.

LSD and grass, like the herbs and cactus and mushrooms of the American Indians and countless civilizations that have existed on this planet, will help us make a future world where it will be possible to live in peace.

Now we are at war.

With the NLF and the North Vietnamese, with the Democratic Front for the Liberation of Palestine and Al Fatah, with Rap Brown and Angela Davis, with all black and brown revolutionaries, the Soledad brothers and all prisoners of war in Amerikan concentration camps we know that peace is only possible with the destruction of U.S. imperialism.

Our organization commits itself to the task of freeing these prisoners of war.

We are outlaws, we are free!
