

TO ALL CHAPTERS: THIS IS A CALL TO ACTION!

Our universities have chosen profit and reputation over the lives of the people of Palestine and the will of their students. President Minouche Shafik's cowardly testimony to Congress heralds an unfortunate shift: university administrators have capitulated to the pressure of the Zionist lobby and allied Right Wing, selling out the Student Movement for Palestinian liberation to save face in the eye of the state.

We know, however, that the supposed power of these administrators pales in comparison to the combined strength of the students, staff, and faculty committed to realizing justice and upholding Palestinian liberation on campus. In the footsteps of our comrades at Rutgers-New Brunswick SJP, Tufts SJP, and now Columbia SJP, we call on all SJPs across the nation to take back the university and force the administration to divest, for the people of Gaza!
